

REMARKS

This Preliminary Amendment is being submitted before Action in order to expedite the prosecution of this Application. Claims 48-71 are pending in the application and are presented for the Examiner's review and consideration. Claims 1-47 have been cancelled. Applicant believes that the claim amendment serves to clarify the present invention and is independent of patentability. No new matter has been added.

Applicant herein submits a substitute specification. In accordance with the rules, Applicant has included a clean version and a marked-up version of the substitute specification. The substitute specification places the specification in proper format, adding section headings, paragraph numbering, and making grammar and spelling corrections. No new matter has been added.

If for any reason the Examiner believes that a telephone conference would expedite the prosecution of this application, it is respectfully requested that the Examiner telephone Applicant's attorneys using the contact information below.

Please charge the required fee (or credit any overpayments of fees) to the Deposit Account of the undersigned, Account No. 500601 (Docket no. 7100-X06-029).

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Martin Fleit', with a large, sweeping initial 'M' and 'F'.
